*Current Advances in Immunology* provides a monthly current awareness service for pure and applied scientists wishing to keep abreast of the ever increasing literature in the sphere of immunology.

*Current Advances in Immunology* gives listings of titles of immunological papers published throughout the world classified into 50 areas. Full bibliographical citations and reprint addresses are included. Interdisciplinary areas are covered by extensive cross-referencing, each title appearing in every subject area to which it is relevant. More than 3000 source journals are regularly scanned, yielding around 18,000 titles per year.

## SUBSCRIPTION INFORMATION

The following publications from the CURRENT AWARENESS IN BIOLOGICAL SCIENCES (CABS) database are published monthly and are available on subscription as follows:-

|  |          |
|--|----------|
| Current Advances in Biochemistry                 | \$275.00 |
| Current Advances in Cell & Developmental Biology | \$275.00 |
| Current Advances in Ecological Sciences          | \$320.00 |
| Current Advances in Endocrinology                | \$200.00 |
| Current Advances in Genetics & Molecular Biology | \$275.00 |
| Current Advances in Immunology                   | \$275.00 |
| Current Advances in Microbiology                 | \$275.00 |
| Current Advances in Neuroscience                 | \$275.00 |
| Current Advances in Pharmacology & Toxicology    | \$350.00 |
| Current Advances in Physiology                   | \$275.00 |
| Current Advances in Plant Science                | \$330.00 |

## COMBINED SUBSCRIPTION TO ALL EDITIONS

Libraries requiring all 11 editions may order a combined subscription at \$1725.00 per annum including postage (saving \$1400.00)

## SECOND OR ADDITIONAL SUBSCRIPTION FOR PERSONAL USE

Individuals whose institution takes out a library subscription may purchase a second or additional subscription for personal use at a reduced rate of \$100.00 per annum including postage. Institutions may also order additional subscriptions at this reduced rate.

## CABS ONLINE

From 1985 CABS will be available online. *Current Advances in Immunology* will be included in this database. For further details contact: Pergamon InfoLine Ltd., 12 Vandy Street, London, EC2A 2DE or Pergamon InfoLine Inc., 1340 Old Chain Bridge Road, McLean, VA 22101, USA.

## CABS TEXT

A copy of any article listed in this Journal may be obtained from the address below. The cost for up to a maximum of 25 pages is US\$10 (or US\$12 outside North America). To order, either use the order card in this issue or send your request and remittance listing the accession number given in bold type, and quoting *Current Advances in Immunology* to: Information on Demand, Box 9550, Berkeley, CA 94709 USA. (In the US call 800-227-0750, from California and the rest of the world call 415-664-4500).
